REDUCED ENVIRONMENTAL IMPACT

These products are GREENGUARD Certified or GREENGUARD Gold Certified for low chemical and particle emissions to UL standard UL 2818 and may contribute to LEED certification. For complete information visit mayerfabrics.com and UL.com/gg.

Continuum

The Eco-System icon indicates 100% recycled content.

CARE AND CLEANING INFORMATION

W: Water-Based Cleaner WS: Water/Solvent Cleaner CFC: Coated Fabrics Cleaning – Refer to Mayer website for complete cleaning info.
 BC: Bleach Cleanable – 1 part bleach, 9 parts water = 10% bleach, 90% water solution. Do not clean/disinfect fabric for longer than 10 minutes using the 10% bleach solution. Always rinse promptly with clean water after applying the bleach solution. Failure to do so will void any and all warranties.

Ranchero cleaning disclaimer: **Do not use bleach or solvent-based cleaners.**

For additional care and cleaning information by pattern, please refer to the Mayer Fabrics website.

DYE TRANSFER DISCLAIMER

Certain clothing and accessory dyes (such as those used on denim jeans) may migrate to lighter colors. This phenomenon is increased by humidity and temperature and is irreversible. Mayer Fabrics will not assume responsibility for dye transfer caused by external contaminants. Please check compatibility when using this product in combination with painted or varnished surfaces.

ADDITIONAL INFORMATION

Cal TB 133: All patterns may comply with California Technical Bulletin 133 when combined with appropriate components.

^Abrasion: Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be a reliable indicator of increased fabric lifespan.

Custom Capabilities: All patterns can be custom colored. Minimum yardage applies.

Digital Swatch Card Color Matching: Due to color variations on different monitors and color printers, actual swatch colors may vary slightly. Please request a memo sample from Mayer Fabrics to ensure proper color representation.

Specifications: Specifications are correct at the time of printing. Current detailed specifications are available on our website.

***Fedora:** A multi-purpose fabric that can be used for upholstery, panels, & wrapped walls.

These fabrics meet or exceed these ACT performance guidelines.
 *Certification Marks owned by ACT®

Continuum

This 100% polyester fabric is included in the Underwriter's Laboratory Fabric Recognition Program. Additional testing of this U.L. recognized component is not required on approved panels from participating manufacturers.
